

Cornerstone Lutheran High School

Cornerstone Lutheran High School provides our students with an education built on Christ, equipping them to go into the world prepared to stand firm in faith, serve Him, and share His love.

Your partnership helps us educate the next generation of Christian leaders. Our school wouldn't exist without the generous support of time, talents, and gifts from donors like you. We partner with families to provide an excellent high school education and prepare students as disciples of Christ for lifelong learning and service. We continue to need the generous financial partnership of parents, relatives, friends, and alumni to help bridge the gap between tuition revenue and the true cost of providing programs that prepare our next generation of Christian leaders.

SPONSORSHIP

Your donation may be tax deductible, and sponsorship is a great way to gain visibility for your company, reward your staff, or have a great night with friends!
